

MasteryConnect Item Bank Solutions

CASE Item Bank (formerly SCORE21)

Developed by TE21, Inc.

TE21's grade level common assessments item bank and detailed reports provide rich data to help teachers determine whether students have mastered state standards and identify the need for additional assistance or intervention solutions for their struggling students.

- Integrated with MasteryConnect
- Grade level common assessments
- Multifaceted, rigorous item development process
- Tightly aligned to the Common Core State Standards and state-specific standards
- Grades kindergarten through high school

Item Bank
Product of TE21, Inc.
